EDUCATION

**Bachelor of Computer
Application (UG)** 2020 - 2023
Mar Elias College,
MG University

EXPERTISE

- (HTML, CSS, JS)
- Python
- PostgreSQL
- MySQL
- GIT Tool
- REST API's
- Bootstrap v4
- Machine Learning (basic)
- Artificial Intelligence (basic)

LANGUAGES

- English
- Malayalam
- Hindi
- Tamil

SKILLS

- Touch Typing (50-70 WPM)
- Problem-Solving
- Communication
- Graphic Design
- Creativity and innovation

WORK TOOLS

- VS Code
- Pycham
- GIT

PROFILE

Enthusiastic and tech-savvy individual with Bachelor's degree in Computer Applications(BCA) and growing expertise in Python, Django, and Data Science. I have a strong passion for web development, and I am continuously expanding my skills through hands-on experience in backend development and data science. Recently, I worked as a Python Django Developer and have been advancing my knowledge in Python and Data Science. With a solid foundation in the latest technologies, I am eager to contribute to innovative projects, solve complex problems, and continue learning in the field of AI, Machine Learning, and Web Development.

WORK SHOPS

Nosce Software Solutions
Web Development

Jun 2022 - Feb 2023

Due to College project HTML, CSS, Java Script as frontend and PHP and MySQL as backend.

COURSE'S

Luminar Technolab
Python and Data Science

Sep 2024 - Present

- Advanced Python
